

November 2012

Dear Parents/Carers

MEDICAL APPOINTMENTS

If your child has a medical appointment i.e. doctors, hospital or dentist, could you please write a note and bring it to the school office in advance, instead of telling the class teacher or teaching assistant.

We appreciate that this can be difficult but, if possible, please make medical appointments for your child after school hours or during the holidays, as this will stop or lower the amount of interruptions the class teacher has to deal with whilst teaching.

Thank You

Jane Edwards (Mrs)
Headteacher
