Information leaflet.	Shapes Symmetry Natural sculpture		Natural sculptures Junk modelling Space pictures	Space

Germander Park Curriculum Overview 2015 Year 2    Spring 2    Space

N.B. Across the year, one 2-week theme must be 'book led', one theme must have a strong local emphasis. In addition, one theme in each term should have a 'child owned' element even if it does not last the full length of the theme. Themes can last between 2 and 6 weeks as appropriate to the number of subject skills that are going to be taught.
