

Germander Park School

2016-2018

## Pupil Premium:

We now receive pupil premium funding which is given to schools for each pupil registered and eligible for pupil premium. The funding is currently £1320 per pupil. This money enables us to support these pupils in any way necessary to improve their education.

You are entitled to claim for Pupil Premium if you are in receipt of any of the following benefits:

- Job Seekers Allowance (income based) or Income Support
- Child Tax Credit (not working Tax Credit)-provided your annual income, assessed by the Inland Revenue does not exceed £16,190 (Please note, anyone receiving Working Tax Credit, regardless of income, **will Not** qualify)
- Employment Support Allowance (income related)
- Guaranteed Element of Pension Tax Credit
- National Asylum Seekers Support (NASS)

Please register and find out if your child is eligible by visiting the Milton Keynes **Citizens Portal**.

The system is quick and simple to use and can be accessed via a smartphone or hand held device. If you qualify, please show the Application Summary to your school on your smartphone or print a copy for your school.

Please register with the portal, even if you have applied and been unsuccessful in the past. By doing so, we will have your contact details and can inform you straight away if your eligibility changes.

All “looked after” children are entitled to pupil premium. The “virtual School” provides a set amount which is spent as detailed below; however we are able to apply for further funding if a child needs more intensive support than this would allow for.

At Germander Park School:

- We ensure that teaching and learning opportunities meet the needs of all pupils by focusing on quality first teaching.
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who are in receipt of pupil premium will be socially disadvantaged
- We also recognise that not all pupils who are socially disadvantaged are in receipt of pupil premium. We reserve the right to allocate the premium to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged.
- Pupil Premium funding will be allocated following a needs analysis based on close scrutiny of school data which will help us to identify priority pupils, groups of pupils and classes. Limited funding and resources means that not all pupils in receipt of Pupil Premium will receive or require interventions at any one time.

## How our Pupil Premium Funding was spent in the year (2016-17)

All figures have been rounded up to the nearest whole £

<b>Number of pupils and pupil premium grant (PPG) received</b>	
Total number of pupils on roll	109
Total number of pupils eligible for PPG	20 Total
Percentage of pupils eligible for Pupil Premium Grant	18%
Amount of PPG received per pupil	£1,320
Total amount of PPG received	£26,400
Cost of 1 TA specialist to run interventions including for Higher Ability	£19,527
Training cost for interventions	£550
School Uniform- each child entitled gets £30 of uniform	£600
Breakfast club free calculated at 2 PP children per year- 50p day charge to other children	£190
School trips free PP £10	£200
After school Clubs free	£400
<b>TOTAL 2016-17</b>	<b>£21,467</b>
Amount projected to be over( <i>under</i> )spent in the year	<b>(4933)</b>

## Progress and attainment of pupils entitled to Pupil Premium Funding in the academic year 2016-17

	Number of PP children in school year	Expected progress	Good Level of Development	Reading PP children	Writing PP children	Maths PP children	Phonics screening PP children
Foundation	7	GLD	43% achieved a GLD other pupils achieving a GLD which was 69%	43% of PP children achieved end of Foundation Stage expectations	43% of PP children achieved end of Foundation Stage expectations	43% of PP children achieved end of Foundation Stage expectations	
Year 1	9	3 steps progress End of year expectation 1W+		77.7% of PP children reached end of year 1 expectations or more	77.7% of PP children made reached end of year 1 expectations or more	77.7% of PP children reached end of year 1 expectations or more	77.7% achieved Year 1 phonics screening compared to 82% of all children nationally
Year 2	11	National Expectation 2w+		64% achieved national standard or more for end of Key Stage 1	55% achieved national standard or more for end of year Key Stage 1	72% achieved national standard or more for end of Key Stage 1	

### Pupil Premium for 2017-18

We have identified the following barriers to success in our school population:

- Lack of support at home
- Weak language and communication skills
- Lack of confidence
- Attendance and punctuality issues
- SEND complex needs

The progress of children entitled to pupil premium will be monitored closely throughout the year, particularly in reading, writing and maths. Their progress will be compared to levels of progress expected nationally for a child of their age. If their progress is found to be falling short or exceeding the national expectation, appropriate support and challenge will be immediately put in place in consultation with their class teacher. This would be a programme of support designed specifically to meet an individual child's needs. This may either be delivered by the class teacher themselves or a teaching assistant with the individual or small group with similar needs. The impact of the intervention will be continually reviewed to ensure its effectiveness in terms of the continuing progress of the pupil concerned.

On a case by case basis, the remaining funds are allocated to finance activities or opportunities where a clear learning benefit has been identified for the child. This is considered particularly but not exclusively in cases where the child's attainment and progress is good. Funding may be provided for activities such as:

- Extracurricular clubs which require payment
- Enrichment activity

We will measure the impact of the pupil premium spending using progress and attainment data and comparing pupil premium children with the rest of the school population and with other children nationally.

We will review our pupil premium strategy in October 2017.

### How our Pupil Premium Funding will be spent in the year (2017-18)

All figures have been rounded up to the nearest whole £
