Dear Parents and Carers

As we rapidly approach the end of term and a number of events that parents/carers are invited, we are aware that this can cause stress within families that are split.

We want to ensure that these events are as joyful and positive for the children as possible and therefore would like to share our approach with regards to inviting parents/carers to these events.

The School and governing board invite all people with parental responsibility as is their legal right and leave it with families to sort out attendance. Unfortunately, the school cannot be involved in negotiating which adults may attend.

It is our hope that parents/carers can resolve these matters in the best interest of their child.

Yours sincerely
