

Maths

This half term we will be continuing to build on our knowledge of place value from year one. We will be focusing on working independently to use different methods and equipment to show and explain our working out. We will also be building on our knowledge of addition and subtraction.

Please remember to practise the 2, 5 and the 10 times table at home.

Forest School

This half term we are very lucky that Ms Robinson is running more Forest School sessions for us on a Monday afternoon. The children are split into two groups, the second group will have their turn after October half term.

PE

This half term we have PE on a **Thursday and a Friday**. Please make sure a PE kit is in school on these days. This includes: t-shirt, shorts, trainers or plimsolls.

Art

This half term's exciting new topic is the seaside! The children are enjoying exploring and drawing seaside objects in Art. They will be building on their brush sketching skills.

Year 2 Newsletter Autumn 2019

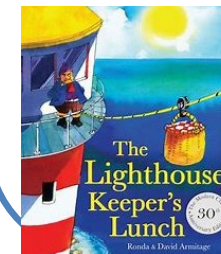

Mrs Patterson and Mrs Quelch

English

This half term we will be working hard using Talk 4 Writing to learn and retell a character description of Mrs Grinling. We will then use this character description to help us create and write a character description of Mr Grinling. We will be sharing a range of books from The Lighthouse Keeper series by David and Ronda Armitage to support us in this.

Beach day— we are going to be exploring the seaside by creating a seaside in school on Friday 20th September!

Spellings will be sent home every Monday for a test each Friday. Please help your child by practising all new words at home.

The Seaside
