

Values

We will be looking at the Germander Park values and discovering how to recognise and show the values of UNDERSTANDING and LOVE.

Maths

This half term we will be learning different strategies for addition and subtraction. This will include addition and subtraction of tens, using our number bonds and performing calculations in our head. We will also be using number lines to count forwards and backwards on.

We will also continue to practise the 2, 5 and 10 times tables. Please practise these with your child at home to ensure that they are secure.

History & Art

We will be investigating how we still know about The Gunpowder Plot when it happened so long ago. We will explore what life was like in Victorian times and then look at the life and work of Florence Nightingale before comparing and contrasting this with the life and achievements of Mary Seacole.

We will also be looking at William Morris in Art and recreating his work with repeating patterns. We will be using printing to achieve this.

Year 2 Hedgehogs and Squirrels Autumn 2 2020

Miss Jackson and Miss Jeffreys

Victorians

English

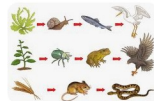

Please listen to your child read at home as often as possible. Books are going home on Thursdays so please return them on Mondays and we will change them for a new one. Spellings will be sent home on Fridays for test the following Friday.

This half term, we will be using writing seasonal poems about fireworks and about autumn. We will then use Talk4Wrting to write our own losing tale set in Victorian times.

Science

We will continue our work on living things and their habitats, describing how animals obtain their food from plants and other animals. We will look at simple food chains and use different habitats to identify and name different sources of food.

Yoga and PE

We have PE on Fridays and yoga on Thursdays. Please make sure PE kits are in school on these days, long hair is tied back and no earrings are worn.
